STATE ROUTE 18 NOW OPEN FUEL SPILL UPDATE

SAN BERNARDINO COUNTY - State Route 18 (SR-18) from 40th Street to the junction of 18/138 reopened to four lanes (two lanes in each direction) on Friday evening, September 8. The road and then lanes were closed beginning Monday, September 4, 2006, as the result of a fuel spill.

Caltrans would like to thank the emergency contractor, Vance Corporation, for their expedited assistance in repaving the removed section of SR-18 at the spill location.

Caltrans Maintenance will complete approximately two days of final paving this week at the location of the fuel spill (below Panorama Point) beginning Wednesday, September 13. Two of four lanes will be closed with one lane in each direction available at all times. Work hours will be from 7:00 a.m. to 4:00 p.m.

State Route 330 (SR-330) is open to escorts (one-way traffic control) Monday through Sunday from 5:30 to 8:30 a.m. and 5:30 to 8:30 p.m. until the end of September 2006.

For detour to Big Bear and Fawnskin, take SR-38 (exit Orange St. in Redlands).

Slow down when you see orange cones and be aware of the lane closures. A life may depend on it – maybe yours. For updates on Riverside and San Bernardino state highway work, please go to our website at www.caltrans8.info and click on “Press Releases” or call (866) 383-4631 for information.
